

September 11, 2011

Dear PSR Family,

As part of the Belleville Diocesan Child Protection Policy, every Parish School of Religion in the diocese is required to offer training to students about proper boundaries with adults. I am writing to inform you that we are providing this training again this winter on January 8. The training schedule is:

Session 1 (10:35am-11:05am)

VIDEO for Grades K-2
School cafeteria

Session 1 (10:35am-11:05am)

VIDEO for Grades 5-6
School gym

Session 2 (11:10am-11:40am)

VIDEO for Grades 3-4
School cafeteria

Session 2 (11:10am-11:40am)

VIDEO for Grade 7-8
School gym

The videos to be shown are age appropriate and they will be facilitated by trained social workers from Catholic Social Services. However, in order to respect your position as a parent, I would like to give you options for this event:

- You may choose to have your child participate as normal.
- You are also invited to attend your child's session so that you are aware of what they are learning.
- You may choose to withhold your child from the training. Diocesan regulations require us to offer this program, but they do not require any child to participate against his or her parent's wishes.

This is a quality program that is worthwhile for children to attend. However, if you choose to withhold your child from this training, please complete and return the bottom of this letter. Otherwise, we will assume your consent and proceed normally.

God Bless,

Jane Dotson
Director of Family Faith Formation

I do NOT consent to having my child, _____, who attends St. Clare PSR Grade _____, attend this training session. Please withhold him/her from this event.
